

SARASWATHI VIDYA BHAVAN'S COLLEGE OF PHARMACY

ORGANISES

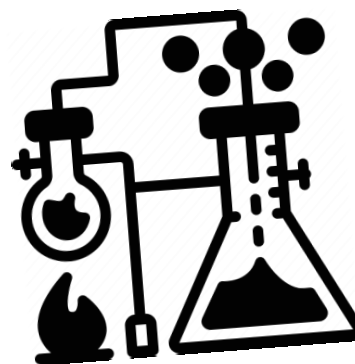

STATE LEVEL

XVIII PHARMA QUIZ
XI YOUNG PHARMACIST INNOVATIVE PROJECT AWARD

On 7th March 2019
Time: 9.30am -5.30pm

Venue : SVB`s College of Pharmacy
Sankara Nagar, Kalyan Shil Road
Sonarpada, Dombivli E - 421204

Vision: “To stand distinguished as a Centre of Excellence that fosters talent, research aptitude, entrepreneurship, human values and holistic development of competent healthcare professionals to fulfill the requirements of the industry and community, at large.”

Mission

- To provide state-of-the-art infrastructure and a teaching-learning environment that is conducive for holistic development.
- To instill the values of discipline, integrity, humanity and professionalism required for the healthcare sector.
- To nurture young professional leaders to work towards novel research ideas, innovation and entrepreneurial thinking for benefit of the community, at large.

Saraswathi Vidya Bhavan’s College of Pharmacy established in the year 1993, is a premier institution of SVB trust, nurtured under the able guidance of **Founder President Dr.R.Varadarajan**. NES-SVB educational group is the first educational group in India to receive British Quality Mark and British Corporate Membership by the World famed British Institute of Learning and Development U.K. As the **First Indian, Dr. R. Varadarajan**, Founder President, a visionary in the field of education was conferred with the highest global honor of **British Fellowship**, in recognition of his contribution to the world of learning, development and education in India.

SVB college of Pharmacy is one of the foremost institute which firmly believes that study and competition amongst learners in their formative years shapes up their conceptual knowledge. With an aim to encourage students to look beyond their textual knowledge SVBCP envisaged the commencement of the **“State Level Pharma Quiz”** in the year 1999-2000 and has now successfully completed seventeen years of hosting this mega event.

Synergistic with this colossal event, is another flagship endeavor of SVBCP i.e. the **“YPIPA or Young Pharmacist Innovative Project Award”**. Scientific Research, is said to be the distance between an idea and its realization. The pharmaceutical sector is undergoing paradigm shift, which has placed greater demands to all researchers of academic sector and pharmaceutical companies to find innovative solutions to increase the output of new drugs. The YPIPA event offers platform for the **undergraduate students** to showcase their novel research ideas in the form of models/ posters.

The year 2018-19 is a pivotal year to one and all of us as it is an year of important milestone, when our revered college completed 25 glorious years of excellence and service in the field of education. During these two and half decades it has been our attempt to recognize and promote quality research among pharmacists. Sophisticated instruments like HPLC, HPTLC, FTIR, Gel electrophoresis and Blotting apparatus, Flash Chromatograph, Deep Freezer, Motic digital microscopes titivate the analytical laboratory of the institute. The college aims on continuous research and has been receiving minor and major research grants from the University of Mumbai and other government funding agencies. The faculty of our college presented four papers at XXII International Congress “Phytopharm 2018”, held at Horgen, Switzerland, during June 25-27, 2018. This year, with the maxim **learn together, work together**, various workshops were conducted viz., **Molecular biology (10th - 11th September 2018)**, **Excel to Excel In Statistics for Pharmaceutical Research (27th - 28th November 2018)**, **Zones of Life- Nurture the future (28th-29th December)**.

The SVB college of Pharmacy has submitted the ESAR for NBA accreditation and is all geared up for the forthcoming inspection.

MODALITIES OF THE TWIN EVENTS
