

# **SARASWATHI VIDYA BHAVAN'S COLLEGE OF PHARMACY**

## **WORKSHOP**

**MULTIMEDIA: A VITAL TOOL IN INNOVATIVE TEACHING,  
LEARNING AND RESEARCH**

**DECEMBER 11, 2017**

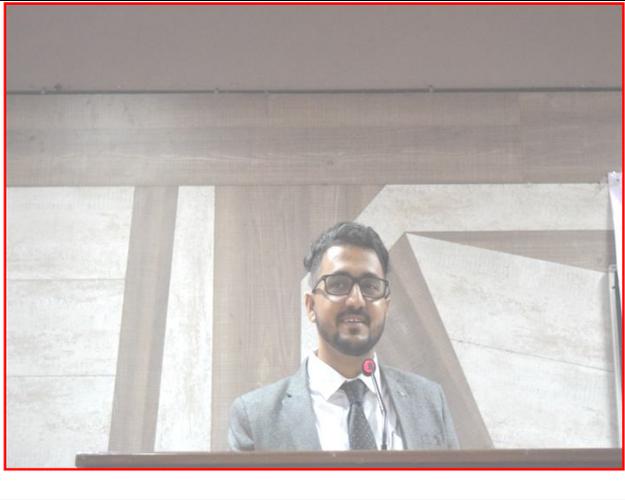

The objective of the workshop was to introduce the participants to the skills of multimedia like Corel Draw, Photoshop, Powerpoint, Adobe Illustrator and video making software for their utility in teaching, learning and research.

**Participants from other colleges: 21**

**Participating staff of S.V.B's College of Pharmacy: 13**

The workshop commenced with the inaugural session at 10:00 am. The session was graced by the Director of NES-SVB group of Institutions- Dr. Bala Subramanian V; Speakers -Dr. Amrit Karmarkar, Mr. Pritam Yeole and In-charge Principal of SVBs College of Pharmacy-Dr. (Mrs.) Monita Gide.

Dr. Monita Gide inaugurated the workshop with a warm welcome address. Dr. Balasubramian V proceeded the session by delivering a speech, in which he highlighted the need of computer skills to keep pace with the time and the benefits of multimedia in teaching. He emphasized the immense importance of technology in a very effective manner. This was followed by Dr. Amrit Karmarkar address where he familiarized the gathering regarding the workshop contents and objectives.

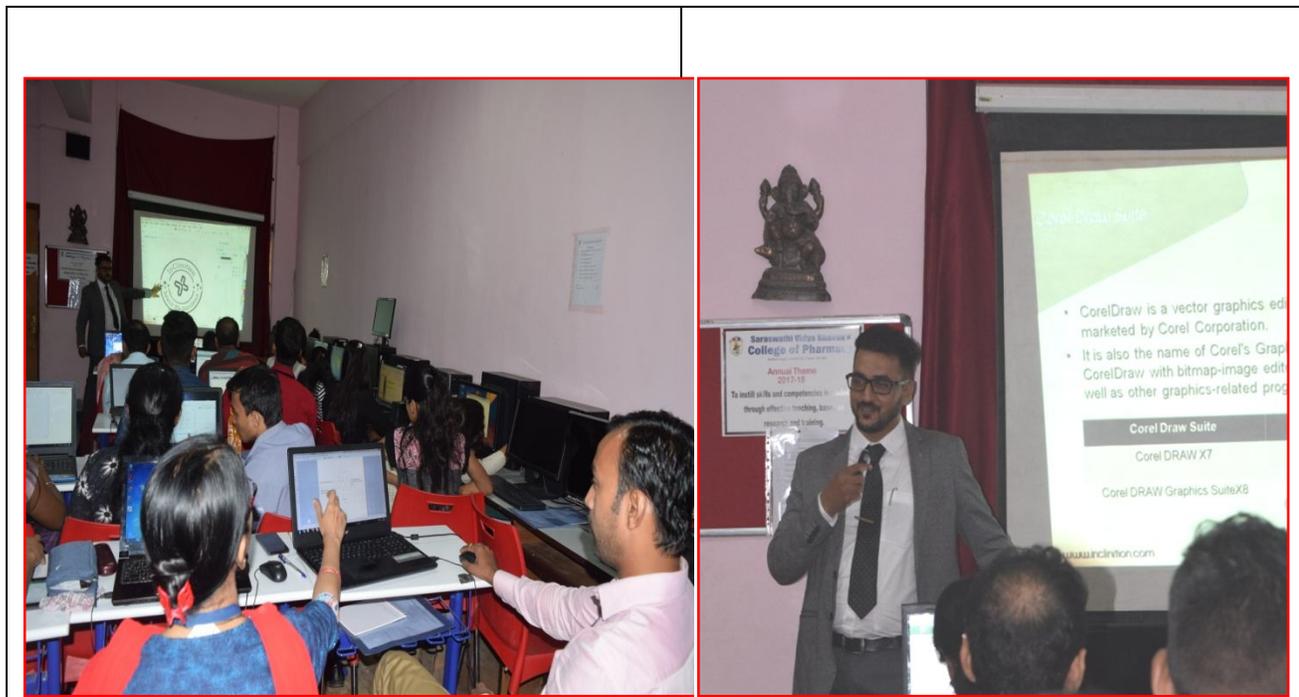

After inauguration the technical session was conducted by Dr. Amrit Karmarkar. Mr Pritam Yeole assisted in actual demonstration of software. The following sessions were conducted and hands-on training was given to the delegates.

- Basic information about computer terminology
- Technical aspects of corel draw followed by assignments
- Technical aspects of Photoshop followed by assignments
- Some hidden aspects of Powerpoint presentation
- Applications of Adobe illustrator and its applications
- Information about the video making software and demonstration

The sessions were followed by small quizzes to ensure participants' understanding.

Delegates expressed their gratitude towards the Management of the institute for hosting such informative and useful workshop and stated that these software skills would be utilizing skills in teaching and research.

The workshop concluded at 4:30 pm. Dr. Chhaya Gadgoli gave an overview of the activities conducted in the workshop followed by a vote of thanks delivered by Dr. Malathi Raghunath.
